Boulder, Nov. 18.—With five substitutes in the line and with its team generally weakened and crippled the University of Colorado football eleven surprised all the football fans of the state this afternoon by walloping the husky Utah team to the tune of 34 to 18.

Colorado outplayed its opponents in every department of the game except kicking, in which Conville had the advantage, but would not have had if Van Metre, the second Boulder kicker, had been in the game the whole time, as his kicks averaged well up with those of Utah. In the first half Colorado would plough through the Utah line and get a yard, but would either lose the ball on a forward pass or else fumble at critical moments. The Utah team captured the ball only once on Colorado's half on downs, and then on the visitors' ten-yard limit, with a yard left to go.

Goos Through Line at Will.

Colorado could go through the Utah boys wherever it pleased. Its best gains were made on forward passes. The state boys showed that the lessons of the game with the Tigers had not been learned in vain as at only one time was the ball fumbled in the back field, and this on a poor pass from Farnsworth's center to Randolph for a forward pass. Nearly all of Conville's high kicks were back for good gains and the general average of 15 1/2 yards return shows how Colorado has improved in this respect. Striver the star quarterback, who showed lines, but his playing wasn't missed, as Van Metre was able to do some of the severest work seen on the local gridiron, his dodging netting fine gains, while he was constantly with his man. The best gains for Colorado were made by Farnsworth and Knowles, all of whom could be counted on at a critical time. Lines, weighing only a little over 125, was able to hold his opponent with ease and besides carried the ball for as good gains as were made during the day. The Colorado team was in the game at every moment and except for the fluke touchdown of Utah would have kept its goal line intact. Conville and Russell were the stars for the visitors, and Richardson could be counted on for good gains, but the Utah boys failed to play together and showed a woeful knowledge of the forward pass, only working it twice and then netting twelve yards in the second half. In the second half, Colorado's line was made around right end and they totaled only eighty-three yards.

The lineup:
Utah.

OWNS MANY CHAMPIONSHIPS

Boer Unholz Claims Three Titles Won in Ring in South Africa.

(Special to The Herald.)

Ogden, Nov. 18.—Boer Unholz, who is matched to go twenty rounds with Pete Sullivan in this ring next Friday evening, lays claim to the championship of three countries, and says he will not be satisfied until he has annexed another—the American—by his belt. Unholz commenced his career as a fighter at Johannesburg, South Africa, in August, 1902, and has engaged in fifty or more battles. Of this number he has lost three bouts on decisions and two on fouls. He commenced fighting in this country at Providence, R. I., in February of last year, and since that time has been in fifteen fights, losing two on decisions, two on fouls and seven draws.

Unholz claims to know more about the fighting game now than ever before, his newly acquired tactics may make him a dangerous man to go up against. He was born in Mannheim, Baden, Germany, Oct. 5, 1881.

The seventeenth game, played tonight, resulted in Frank Day of Philadelphia, 50 to 41. Day's high run was 6; average, 56; safeties, 11. Cline's high run, 4; average, 45; safeties, 12.

OGDEN HIGH SCHOOL

Easy Victory Over All Hallows Gives Title to Junction City For Another Year.

By the overwhelming score of 33 to 0, Ogden clinched its title to the high school championship of Utah in the game with All Hallows yesterday afternoon. With three games played in the high school division, Ogden has won all three and the one remaining game with the Salt Lake high will not take from the Junction City students the title, let the game go as it may.

Ogden yesterday clearly demonstrated its superiority over the Ogdensians, and the score does not in any way flatter the better qualities of the Weberites. They beat All Hallows in every department of the game, and beat them easily. The visitors' goal was never in danger at any stage of the game, and the element of luck is in no way responsible for the size of the score. It was merely a case of a better team winning, and doing it easily.

Without doubt Ogden had the heavier, older and more experienced players, and this fact is accountable for their victory. The champions have their team worked perfectly to a remarkable degree and pulled off plays without a successful interference of the Ogdensians is by far the best seen on a Salt Lake gridiron since the season began. The Ogdensians played worked out to get as many men as possible into the interference, and as a result tackled after tackle of the college players were not in danger of being tackled. The Ogdensians were not in danger of being tackled, and the element of luck is in no way responsible for the size of the score. It was merely a case of a better team winning, and doing it easily.

Devold of Forward Passes.

The game was almost entirely devoid of forward passes, although All Hallows made a good gain on a successful pass. It was more a game of the old straggle football, where regular football formations were not used. In spite of the fact that All Hallows defeated so decisively, the college players on several occasions tried to take the game back. The Ogdensians were not in danger of being tackled, and the element of luck is in no way responsible for the size of the score. It was merely a case of a better team winning, and doing it easily.

Fitzmaurice Whole Show.

Young Fitzmaurice of the All Hallows again stamped himself as a wonder at the game. Yesterday he easily lived up to his reputation as the best all around man in the state in the high school class. Not a man on either team approached his work in running with the ball, kicking, dodging, and blocking. He was equally as good on offense and defense, and clearly outclassed every man on the field. He was the star of the game, and his playing wasn't missed, as Van Metre was able to do some of the severest work seen on the local gridiron, his dodging netting fine gains, while he was constantly with his man. The best gains for Colorado were made by Farnsworth and Knowles, all of whom could be counted on at a critical time. Lines, weighing only a little over 125, was able to hold his opponent with ease and besides carried the ball for as good gains as were made during the day. Conville and Russell were the stars for the visitors, and Richardson could be counted on for good gains, but the Utah boys failed to play together and showed a woeful knowledge of the forward pass, only working it twice and then netting twelve yards in the second half. In the second half, Colorado's line was made around right end and they totaled only eighty-three yards.

UTAH SCRUBS TEAM WINS

Crimson of Logan Plays Its First Game and Is Easily Outclassed.

(Special to The Herald.)

Logan, Nov. 18.—The football game here this afternoon between the second team of the University and Coach Badenoch's crimson team resulted in a victory for the visitors by a score of 34 to 5. The University players outclassed the local men, and still it was not unexpected as Badenoch's team had never attempted to play ball until two weeks ago. The Crimson team was very head and shoulders above the visitors in every department, the first being made within three minutes after the ball was kicked off. The Crimson scored a touchdown in the first half on a fumbled forward pass, but missed goal. The lineup:

MORRIS WINS OGDEN RACE.

Six-Day Match Ended Last Evening, With Ogden Man in the Lead.

(Special to The Herald.)

Ogden, Nov. 18.—Before 1,500 spectators Clifford Morris of Ogden won the six-day roller skating match which came to a close at the Auditorium tonight. Less than five feet separated Morris and Norman Matthews of Minneapolis, who came third money, James Bowen of Salt Lake City and Charles Schofield of Salt Lake City.

The race between Morris and Matthews was a battle royal from start to finish tonight. At the start Morris took the lead, which he held for three miles, when Schofield jumped ahead and set the pace. In the third from the last lap Matthews, by sprinting, took the lead, but on the next turn lost it again to Morris, who maintained first position until the end. The skaters finished:
Clifford Morris, Norman Matthews, 30 miles, 2 laps; Carl Helman, James Bowen, 20 miles, 9 laps; Charles Schofield, 30 miles, 10 laps.

GANG BROKE ON PROVO'S GINGER

Thousand Dollars That Comes to Salt Lake Instead of Ed Loose's Town.

The local horse racing contingent—Provo please take notice—received a severe shock yesterday when word was received from Phoenix, Ariz., that the famous Ginger had gone up against the real thing in a horse race. The Ginger is now going on at that place had a 2 1/2 to 1 chance on the program which looked good to Ed Loose and several other members of the Utah racing fraternity. It looked so good that it seemed a shame to let the thousand dollar purse slip by, so Ginger was shipped from Provo to do the business.

KREBS WINS SIX-DAY BICYCLE RACE

Mitten Lands Fourth Money and Downing Gets Next Position.

Boston, Nov. 18.—Floyd Krebs, the partner of Hugh McLean, carried his team to victory in the six-day bicycle race at the Park Square rink tonight, winning in the final sprint from Root, Fogler and Mitten, the representatives of the three other leading teams. A sensationalist in that he apparently saved himself through the long grind of the contest and in the last two laps of the final mile, when Root had started to sprint, Krebs jumped his wheel to the front and crossed the finish line the victor with apparent ease. Fogler, of the Moran and Fogler team, was a fairly good second, being only half a wheel behind the leader, while Root was given third place, although he finished apparently almost even with Mitten, who takes fourth place. The total distance traveled by the leaders in the race was 1,147 miles and 1 lap.

Exciting Pool Contest

Brown and Seymour Put Up Great Game in Race for State Championship.

The pool game in the state championship series at the Log Cabin billiard hall yesterday afternoon was easily the best and most exciting of any contest yet played. Luckily none of the spectators were troubled with heart disease, or there might have been a sad story to tell. A battle royal ensued throughout the game. First one contestant and then the other would pull off some sensational play, which would bring the spectators to their feet. Seymour kept the lead by a close margin until the score stood 55 to 50 in his favor. He then by a beautiful playing increased his lead until the points on the wire showed 81 to 63. It was here that the crucial test began, for Brown started to pick off the ivory with the precision of clockwork, and did not stop until he had made a run of 24, which placed him six balls in the lead. Seymour, not to be denied, scored by calling a ball on the break and ran the 15, and within four points of victory, amidst the wildest enthusiasm, he failed to make a ball on the break, and the opening shot, he playing for safety, and apparently left them so Seymour, who then seemed to be in a bad way, called a double kiss combination for the corner, which went into the pocket like a shot of a gun. He had the game at his mercy, but on his ninety-ninth ball failed to call and his shot was disqualified. Brown then ran the thirteen balls left on the table, winning the best game ever played in the city by a score of 100 to 63. High runs: Brown, 24; Seymour, 19.
